

Claim your Gas, Claim your Groceries Brand Loyalty Program.

Precision Gutters Ltd. is offering free redemption certificates for qualifying jobs. Your estimator can tell you whether you qualify under this program to receive cash back on purchases you would normally make.

How the program works:

This is a brand loyalty program where you are rewarded cash back on purchases made during the month. By shopping for groceries at your choice of store, or purchasing fuel at your choice of gas station, you can claim \$20.00 cash back for \$100.00 spent. That's a 20% saving on purchases you would normally make just for shopping at the same company.

Once you receive your certificate, you register online to activate the program and start saving. Collect and submit \$100.00 in receipts for each calendar month, and receive a \$20.00 Visa cash card in the mail for each month until the value of the certificate has been reached.

Precision Gutters Ltd. is not affiliated with the Brand Loyalty Program, and participates in this program to help our customers save money. Although we pay to participate, we cannot sell these certificates and must gift them to customers as a promotional item only. Please review the FAQ's for better understanding of how the program works, or go to www.claimyourgas.com or www.claimyourgroceries.com for further information.
